### This Month's Featured Truth Question

**How Does the Bible End?** The Bible literally means *the book*, and like any book, it has both a beginning and an end. In order to see the preciousness of the Bible and to understand its content, we must pay attention to how it concludes. How does the Bible begin, and how does the Bible end? [Download and print this free gospel tract.](#)

We are always very happy to hear from you and welcome your comments.
