Excerpts from the Ministry

The subject of Revelation is *Christ as the Center of God's Administration according to God's Eternal Economy*. Click on the links below to read the full excerpts, or read this month's [selected paragraphs](#) from *Life-study of Revelation*.

- [The New Jerusalem in the New Heaven and the New Earth](#)
God's intention is not to have an eternal habitation in heaven; He desires to dwell on earth.
- [The Center of the New Jerusalem and the Experience of Life](#)
It is difficult to understand the golden street, the water of life, and the tree of life if we approach them in a doctrinal way. But if we consider our experience, it is quite easy to understand them.
- [The Spirit and the Bride Responding to the Lord's Word](#)
In chapters two and three it was the Spirit speaking to the churches; here, at the end of the book, it is the Spirit and the Bride, the church, speaking together as one.

This Month's Featured Truth Question

How Does God Carry Out His Economy?

Suppose you have a large container of juice. In order for people to drink and enjoy the juice, you must first find a way to dispense the juice from the container to them. The best way is to pour the juice into clean cups and then distribute it among the people who are present.

This is a picture of how God carries out His economy.
