Excerpts from the Ministry

As we complete the broadcast of the **Life-study of Hebrews** this month, we have some wonderful excerpts to share with you. Click on the links below to read the full excerpts, or read [selected paragraphs](#) on our excerpts page.

- [The Hidden Manna Being Hidden in the Divine Nature](#)
If we would partake of the hidden manna, we must constantly be in our spirit touching the divine nature.
- [The Law of Life Being in Christ and Letting Christ Live Out of Us](#)
Today, the innermost thing within us is Christ in our spirit as the reality of the law.
- [God's Way of Leading the Many Sons into Glory](#)
Having passed in the Son through incarnation and resurrection and having both divinity and humanity, our God has come into us as a living Person with a wonderful nature.
- [Living according to the Nature of God](#)
We should not care much for work, but we should care for our being, for what we are according to the nature of God within us.

This Month's Featured Truth Question

Why Are We Here?

In order to answer such a thoughtful question it is helpful to first consider another question: what are we? When an object is identified we realise the reason that it exists. For example, when we see and recognise a chair we know that the purpose for its existence is so that someone would sit in it.

What about us? What are we, and why are we here?
