This Month's Featured Truth Question

Why Are We Here? In order to answer such a thoughtful question it is helpful to first consider another question: what are we? When an object is identified we realise the reason that it exists. For example, when we see and recognise a chair we know that the purpose for its existence is so that someone would sit in it. What about us—why are we here? [Read this Truth Question and print it as a free gospel tract.](#)

We invite you to respond to this Truth Question by posting a comment on the [Truth Questions](#) website or by emailing us.

We are always very happy to hear from you and welcome your comments.
