In the Bible, Genesis chapters one and two reveal to us the seeds of God's eternal purpose. The last two chapters of the Bible, Revelation chapters 21 and 22, show us this eternal purpose fulfilled. Please join us for a time of fellowship and enjoyment in the Word as we take a closer look at God's eternal purpose.

This Month's Featured Truth Question

How Does the Bible End? *The Bible* literally means *the book*, and like any book, it has both a beginning and an end. In order to see the preciousness of the Bible and to understand its content, we must pay attention to how it concludes. How does the Bible begin, and how does the Bible end? We are very happy to hear from you and welcome your comments.
